NOW, THEREFORE, for and in consideration of the agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City, the REDC and IKEA agree as follows:

ARTICLE 1. TERM

This Agreement shall be effective as of the City and IKEA on the date executed by both IKEA and the City (the "**Effective Date**") and unless terminated earlier pursuant to Article 5 shall terminate on the date both the Sales Tax Grant Period and the Property Tax Grant Period have ended.

This Agreement shall become effective as to the REDC on the date the REDC executes this Agreement, as set forth on the signature page hereto. Failure of the REDC to execute this Agreement shall not negate the effectiveness of this Agreement as between the City and IKEA, the City and IKEA agreeing that in such event this Agreement shall be enforced as if the reference to the REDC and the provisions concerning the REDC have been deleted.

ARTICLE 2. CITY ECONOMIC DEVELOPMENT GRANT PERFORMANCE CONDITIONS

The City acknowledges and agrees that IKEA is not obligated to construct the IKEA Store. However, IKEA also acknowledges and agrees that it will only be eligible to receive the Sales Tax Grant payments and Property Tax Grant payments set forth in Article 3, if IKEA has constructed

the IKEA Store and opened the IKEA Store for business to the public on or before that date thirty-six (36) months from the Effective Date (the "*Store Opening*"), the City and IKEA acknowledging that the public purposes of this Agreement shall be fully satisfied upon the Store Opening.

ARTICLE 3. CITY ECONOMIC DEVELOPMENT GRANTS

(a) **Property Tax Grants.** In the manner described below, the City shall provide annual property tax grant payments to IKEA in amounts equal to forty percent (40%) of the City's Maintenance and Operation portion of the ad valorem taxes paid for up to 15 years on any lots identified on a recorded subdivision plat approved by the City, located on the Property, and including no residential uses ("Commercial Lots"), improvements to Commercial Lots and business personal property located on Commercial Lots ("*Property Tax Grants*"). The first annual Property Tax Grant payment shall be made on or before the June 1 following the first full calendar year after the certificate of occupancy is issued for the IKEA Store and shall be made annually thereafter on or before each June 1st, ceasing on the earlier of i) the date 15 annual Property Tax Grant payments have been made to IKEA, or ii) the date the City Maximum Grants Total has been paid to IKEA. (the "*Property Tax Grant Period*"). Each Property Tax Grant payment shall be calculated based on the City ad valorem taxes paid for the tax year ending the prior December 31st. The Property Tax Grants shall only be made to the extent IKEA is not delinquent on the payment of its ad valorem taxes on any portion of the Property retained by IKEA. In the event IKEA is disputing an annual ad valorem tax assessment in accordance with state law, IKEA shall not be deemed delinquent; however, the City shall not pay the Property Tax Grant until the dispute is resolved.

(b) **Sales Tax Grants.** In the manner described below, the City shall provide quarterly grants to IKEA in amounts equal to forty percent (40%) of the sales tax collected from businesses operating at the Property ("*Sales Tax Grants*") for a period of fifteen (15) years or until the City Maximum Grants Total has been paid to IKEA (the "*Sales Tax Grant Period*"). Each payment shall equal forty percent (40%) of the one percent (1%) City sales tax collected that is attributed to business operations on the Property.

Prior to a quarter that four or more businesses are operating on the Property, Sales Tax Grant payments shall be calculated on information provided by IKEA. For each such quarter IKEA shall submit the following documentation:

- a) A copy of all Texas sales tax returns and supporting work papers, including amended reports, filed by IKEA or any affiliate, parent or subsidiary of IKEA for that Quarter showing sales tax from the IKEA Store remitted to the State of Texas.
- b) Information concerning any sales tax revenue adjustments resulting from refunds filed or received by IKEA, or any affiliate, parent, or subsidiary of IKEA of sales or use taxes from the IKEA Store remitted to the State of Texas.
- c) Information concerning any sales tax revenue adjustments concerning sales and uses taxes from the IKEA Store made pursuant to sales/use tax audit(s) of IKEA or

any affiliate, parent, or subsidiary of IKEA by the Texas Comptroller's office regarding sales tax generated at the Property.

The first payment shall be made by the City after the calculation of the sales taxes paid for the first full quarter of sales. Quarterly payments shall be adjusted as necessary to account for variances reflected in any subsequent amended returns. All sales tax information provided by IKEA shall be kept confidential to the extent permitted by law.

Beginning with any quarter four or more businesses are located on the Property, the City shall thereafter request of the Comptroller aggregate information related to the sales tax paid to the City from the businesses located on the Property pursuant to Section 322.2022 of the Texas Tax Code, and Sales Tax Grant payments shall thereafter be calculated on the aggregate totals.

(c) The City acknowledges that IKEA will not retain title to the entire Property. The City's obligation to make Sales Tax Grant payments and Property Tax Grant payments pursuant to this Article is not conditioned on IKEA retaining title to the Property.

(d) Notwithstanding any language herein to the contrary, if the REDC fails to approve and execute this Agreement on or before January 16, 2025, the City Maximum Grants Total shall be increased to ELEVEN MILLION FIVE HUNDRED AND TWO THOUSAND AND EIGHT HUNDRED NINETY-FIVE DOLLARS (\$11,502,895).

ARTICLE 4. ADDITIONAL CITY COMMITMENTS

(a) Permits. The City will expedite its review and issue of comments to IKEA's Building Permit plans within thirty (30) calendar days (and each subsequent round) to progress toward issuance of a building permit. Should the City not provide comments within thirty (30) days, the City will provide IKEA with an update as to when comments will be provided.

(b) Fees. All City fees charged or assessed by the City related to the development of the Property during the term of this Agreement, including impact fees, shall be charged, or assessed, according to fee schedules in effect on August 16, 2024, the date IKEA filed its zoning application with the City. Any increase to fees, including impact fees, will not be applied to the development of the Property.

ARTICLE 5. REDC REIMBURSEMENTS PERFORMANCE CONDITIONS

The REDC acknowledges and agrees that IKEA is not obligated to construct the Justin Road Widening (hereinafter defined), the Deceleration Lanes (hereinafter defined), or the IKEA Store. However, IKEA also acknowledges and agrees that the performance conditions as set forth below for each REDC Grant payment (collectively, the "**REDC Performance Conditions**") are conditions precedent to the REDC's obligation to make the respective REDC Grant payment to IKEA pursuant to Article 6 below:

(a) Performance Conditions for Justin Road Payment. IKEA will be eligible to receive the Justin Road Payment as set forth in paragraph (a) of Article 6 if it has (i) completed the

construction required to widen Justin Road in accordance with the plans therefor approved by the City (the "*Justin Road Widening*") prior to the Store Opening, such completion occurring when the Justin Road Widening is accepted by the City, (ii) achieved Store Opening, and (ii) submitted to REDC an REDC Payment Request for the Justin Road Payment as set forth in paragraph (c) of this Article 5. IKEA's receipt of the Justin Road Payment is subject to IKEA's obligation to repay the entire amount thereof pursuant to paragraph (c) of Article 6 below, if applicable.

(b) Performance Conditions for Deceleration Lanes Payment. IKEA will be eligible to receive the reimbursement set forth in paragraph (b) of Article 6 if:

i) IKEA has completed the construction of the I-30 deceleration lanes for the IKEA Store according to plans therefor approved by the City and the Texas Department of Transportation (collectively, the "*Deceleration Lanes*") prior to the Store Opening, such completion occurring when the Deceleration Lanes are accepted by the Texas Department of Transportation and the Deceleration Lanes are open to traffic;

ii) all the conditions set forth in paragraph (c) of this Article 5 have been fully satisfied; and

iii) IKEA has submitted a REDC Payment Request for the Deceleration Lane Payment pursuant to paragraph (d) of this Article 5.

(c) Performance Conditions for all REDC Grant Payments. It shall be a condition precedent to IKEA's right to receive REDC Grant payments that the Store Opening has occurred on or before the date that is 36 months from the Effective Date of this Agreement, and as of the Store Opening IKEA has incurred actual, out-of-pocket expenditures equal to or greater than the minimum amount of capital investment in hard and soft costs for construction at the Property set forth in the following schedule below, and as of the Store Opening the minimum number of employees set forth in the following schedule are employed by IKEA at the Property:

<u>Minimum Investment</u>	<u>Minimum Employees (part time and full time)</u>
\$20,000,000	90

Notwithstanding the foregoing, REDC agrees to pay the Justin Road Payment to IKEA in the manner provided by paragraph (a) of Article 6 below upon the satisfaction of all the REDC Performance Conditions contained in paragraph (a) of this Article 5, notwithstanding that the conditions contained in this paragraph (c) may not then have been satisfied, subject, however, to IKEA's obligation to repay the entire amount thereof pursuant to paragraph (c) of Article 6 below, if applicable, if all the REDC Performance Conditions (including the conditions contained in this paragraph (c)) are not satisfied on or before the Outside REDC Performance Date (defined below).

(d) Written Request for Payment. No REDC Grant payment to IKEA by the REDC shall be made until the REDC has received from IKEA a written request for payment of the applicable portion of the REDC Grant payments (each such written request for payment and all the supporting

documentation thereof required by this paragraph being, collectively, an “**REDC Payment Request**”). IKEA shall submit only one REDC Payment Request for each REDC Grant Payment (i.e., one payment request for the Justin Road Payment and one payment request for the Deceleration Lanes Payment). The REDC Payment Request for the Justin Road Payment shall include true and correct copies of paid receipts or paid invoices, reasonably acceptable to the REDC, evidencing IKEA’s payment of the Justin Road Construction Costs (defined below). The REDC Payment Request for the Deceleration Lanes Payment shall include true and correct copies of paid receipts or paid invoices, reasonably acceptable to the REDC, evidencing the following amounts and IKEA’s payment thereof: (i) the minimum amount of capital investment required by paragraph (c) above, (ii) the Deceleration Lanes Construction Costs (defined below); and (iii) a fully completed and executed Employee Certification in the form attached hereto as **Exhibit C** and made a part hereof, to confirm and substantiate the satisfaction of the employment requirement in paragraph (c) above. The REDC Payment Request for the Justin Road Widening costs shall be submitted at the same time or prior to the REDC Payment Request for the Deceleration Lanes Payment.

ARTICLE 6. REDC OBLIGATIONS

(a) Within thirty (30) days after the date on which the performance conditions set forth in Article 5(a) are satisfied, the REDC shall pay to IKEA an REDC Grant to reimburse IKEA for costs incurred by IKEA associated with the Justin Road Widening, the amount of such grant to be equal to the amount of actual, out-of-pocket costs and expenses incurred by IKEA in connection with the design, permitting, construction, and completion of the Justin Road Widening (the “**Justin Road Construction Costs**”), up to the REDC Maximum Grants Total (the “**Justin Road Payment**”).

(b) Within thirty (30) days after the date on which the performance conditions set forth in Article 5(b) and Article 5(c) are satisfied, the REDC shall pay to IKEA an REDC Grant to reimburse IKEA the amount of actual, out-of-pocket costs and expenses incurred by IKEA in connection with the design, permitting, construction, and completion of the Deceleration Lanes (the “**Deceleration Lanes Construction Costs**”), up to a maximum amount equal to the difference of the REDC Maximum Grants Total less the amount of the Justin Road Payment (the “**Deceleration Lanes Payment**”).

(c) Notwithstanding anything to the contrary contained in this Article 6 or any other provision of this Agreement, if all the REDC Performance Conditions set forth in Article 5(a), (b) and (c) have not been satisfied on or before the date that is thirty-nine (39) months after the Effective Date (the “**Outside REDC Performance Date**”), then i) all obligations of the REDC contained in this Agreement (including but not limited to the REDC’s obligations to pay any unpaid portion of the REDC Grants) shall terminate automatically and thereafter be of no further force or effect, and ii) the entire amount of the Justin Road Payment shall be repaid by IKEA to the REDC within ninety (90) days after the Outside REDC Performance Date (and such repayment obligation shall survive the expiration or termination of this Agreement).

**ARTICLE 7.
EARLY TERMINATION, DEFAULT AND REMEDIES**

(a) Early Termination. Notwithstanding any language herein to the contrary, this Agreement shall terminate:

- i) Except as extended due to an event(s) of force majeure if the IKEA Store has not opened within thirty-six (36) months of the Effective Date.
- ii) If IKEA, or a branch, division, or department of Company is convicted of a violation under 8 U.S.C. Section 1324a(f) for the unlawful employment of undocumented aliens in violation of the Certification attached hereto as **Exhibit B**, in which case repayment shall be made in accordance with such Certification. City and REDC may seek to recover from IKEA any legal expenses incurred by the City and/or the REDC to enforce the repayment requirement if not timely paid.

(b) City or REDC Breach. If the City or REDC fails to perform or comply with any of its duties or obligation under this Agreement (a "Breach") IKEA shall give City or REDC, as applicable, written notice of such Breach and if City or REDC, as applicable, has not cured such Breach within sixty (60) days of said written notice, then IKEA may pursue any remedy available to it at law or in equity.

Certification

CERTIFICATION REGARDING EMPLOYMENT OF UNDOCUMENTED ALIENS

IKEA PROPERTY, INC. (“Company”) hereby certifies that Company, and any branches, divisions, or departments, does not and will not knowingly employ an undocumented worker, as that term is defined by Section 2264.001(4) of the Texas Government Code. In the event that after executing an agreement for a public subsidy from the City of Rockwall (“City”) or from the Rockwall Economic Development Corporation (“REDC”), Company or any branch, division, or department of Owner, is convicted of a violation under 8 U.S.C. Section 1324a(f) (relating to federal criminal penalties and injunctions for a pattern or practice of employing unauthorized aliens), subject to any appellate rights that may lawfully be available to and exercised by Company, must, i) repay, within one hundred twenty (120) calendar days following receipt of written demand from the City, the aggregate amount of any economic development grants received by Company from the City, if any, plus simple interest at a rate of two percent (2%) per annum, and ii) i) repay, within one hundred twenty (120) calendar days following receipt of written demand from the REDC, the aggregate amount of any economic development grants received by Company from the REDC, if any, plus simple interest at a rate of two percent (2%) per annum,

For the purposes of this Certification, “Simple Interest” is defined as a rate of interest applied only to an original amount of a grant payment made to Company by the City. This rate of interest can be applied each year or prorated as to partial years but will only apply to the amount of grants received hereunder and is not applied to interest calculated. For example, if a grant payment received by Company is \$10,000 and it is required to be paid back with two percent (2%) interest five years later, the total amount would be $\$10,000 + [5 \times (\$10,000 \times 0.02)]$, which is \$11,000. This repayment obligation shall not apply to convictions of any Affiliate of Company, any franchisees of Company, or any person or entity with whom Company contracts.
