

AGENDA ITEM FOR JUNE 24th , 2025 Meeting

Date: June 11, 2025

Agenda Item: Subdivision Ordinance: Conversion of Private Streets to Public Streets

Financial Impact:

Background: .An ordinance that codifies a process of acceptance of private streets by the City to include those streets that meet standards; those streets that do not meet standards with cost sharing/financing options to bring them to the City standard; and those streets in established residential subdivisions whose primary ingress and egress roads are non-concreted and whose condition has degraded to a point of an “exigency” that affects the ability of emergency services, buses, trash, utility and other service vehicles to carry out their duties allowing for an asphalt road to be built and accepted by the City .

Presenter: Jerry Brewer, Mayor Pro Tem
